Mobile – 07734 007183

Parklands Community Association committee held an extra-ordinary meeting Tuesday 6/04/2021, to discuss the latest situation with Coronavirus/Covid-19. Following government guidelines, starting from April 12<sup>th</sup> certain groups are now allowed to the Community Centre i.e., those providing supervised activities for children and those entities classified as non-essential providers. The next step in lockdown changes will be on May 17<sup>th</sup>. There will still be restrictions on this date but hopefully we will be able to work towards welcoming back some more of our groups.

Provisional bookings are now being taken for later in the year, but this, once again, will be conditional on the Governments Guidelines.

Parklands Community Association Committee.
